

# The Buying Process

- Meet with your lender and get an approval letter
- Make sure not to buy anything until you home closes, i.e. cars, appliances, etc.
- Go shopping with ME for your dream home
- Place your offer and hope we get it
- Drop your deposit off the title company
- Yeah...Your got your home we have 17 days to do inspections
- Review inspections together
- Your lender has ordered the approval, we wait and see if it comes in at the asking price
- Counting down the days, start packing
- If you're renting don't forget to give notice to landlord
- More waiting
- Docs are ready to sign
- 5 days before close we do your walk through
- Show up to your home inspection warp up
- The day has come...time to give you the keys.
